

**FSE Lifestyle received the “ListCo Excellence Awards”
for Three Consecutive Years
Driving Sustainable Development and Maintaining Market Leadership**

13 January 2026, Hong Kong – **FSE Lifestyle Services Limited** (“FSE Lifestyle” or the “Company”, together with its subsidiaries, the “Group”, stock code: 331.HK) has been awarded the “ListCo Excellence Awards” for the third consecutive year, organized by AM730. The award ceremony was held today (13 January 2026) at the Ballroom of Kowloon Shangri-La, where a total of 19 outstanding listed companies were recognized this year.

Mr. Patrick Lam, Executive Vice-Chairman and Chief Executive Officer of FSE Lifestyle, stated, “We are deeply grateful to the judging panel for recognizing FSE Lifestyle’s achievements in business development for three straight years. Since our listing in 2015, we have been growing with the Hong Kong citizens, remaining steadfast in our commitment to providing high-quality integrated lifestyle services. We firmly believe that corporate value lies not only in financial performance but also in service quality, social responsibility and care for our employees. We will continue to embed sustainability into our operations, advancing both smart services and green management in parallel to help build a more sustainable urban lifestyle for Hong Kong”.

FSE Lifestyle’s business units are market leaders in their respective sectors. Through resource integration and expertise complementarity, the Group has created strong synergies across its operations, leading to the development of a scalable “FSE Lifestyle Ecosystem”. This ecosystem supports the delivery of tailored solutions across residential, commercial, infrastructure and transportation sectors. Despite a challenging market environment, the Group’s diversified core business portfolios have strengthened its operational resilience, enabling it to mitigate external risks and maintain stable performance.

“Our services are entwined with the everyday lives of the Hong Kong people. We have been actively driving digital transformation, in recent years, we have further adopted cutting-edge technologies such as AI, IoT, drones and smart sensors to enhance our daily operations, optimize resource allocation, streamline service workflows, elevate operational efficiency and user experience”. Mr. Patrick Lam added.

According to the latest 2025 report by Frost & Sullivan, excluding management companies owned by property developers, the Group ranks among the top industry leaders in multiple service categories, including residential and non-residential property management units, cleaning and pest control services, and insurance brokerage services — all securing the Group’s market-leading position in Hong Kong.

The “ListCo Excellence Awards”, presented by AM730, aims to honor listed companies that have demonstrated outstanding achievements in business development, innovation, and corporate social responsibility. The Awards serve as a benchmark for corporate excellence, providing valuable references for investors in both Hong Kong and Mainland China.

- End -

FSE Lifestyle honored the “ListCo Excellence Award” for the third consecutive year, presented by AM730.

About FSE Lifestyle Services Limited

FSE Lifestyle Services Limited is a leading lifestyle services conglomerate with three major business segments: property and facility management services, city essential services and E&M services. Our business units are the market leaders in their respective industries, including Urban Group, Kiu Lok Group, Waihong Services Group, Far East Engineering Services, FSE Environmental Solutions Group, Nova Insurance Group, General Security Group, Perfect Event Services and FSE Engineering Group.

Leveraging the extensive experience, professional expertise and market knowledge of our business units, as well as the substantial synergies generated among the companies under FSE Lifestyle, we have established a robust service network. We provide comprehensive "one-stop" professional services to renowned clients and major building contractors engaged in property development, public infrastructure, education and transportation facilities, as well as the entertainment and tourism industries in Hong Kong, Macau and Mainland China.
