FSE Lifestyle Services Honoured with Excellence ESG Enterprise Awards and ESG and Sustainability Certificate by HK01 and CUHK Business School

22 October 2026, Hong Kong – **FSE Lifestyle Services Limited** ("FSE Lifestyle Services" or the "Company", together with its subsidiaries, the "Group", stock code: 331.HK) was honoured the "**Excellence ESG Enterprise Awards**" and the "**ESG and Sustainability Certificate**" jointly presented by *HK01* and the Centre for Business Sustainability (CBS) of CUHK Business School. The accolades recognize the Group's outstanding achievements and contributions to Environmental, Social, and Corporate Governance (ESG) as well as sustainable development over the past year. The award presentation ceremony was held today, 22 October 2026, at Hotel ICON in Tsim Sha Tsui.

Mr. Patrick Lam, Executive Vice-Chairman and Chief Executive Officer of FSE Lifestyle Services, said, "We are honoured to receive these two prestigious ESG accolades, which validate our team's dedication and reinforces our commitment to sustainability vision. Sustainability is deeply embedded in our operational core and corporate governance. We believe that robust ESG leadership and green innovation are crucial to driving high-quality business growth and delivering long-term value to our stakeholders. Moving forward, the Group will continue to align with national and HKSAR dual-carbon targets, collaborating with our employees, clients, and community partners to build a low-carbon, resilient, and inclusive future."

As a market-leading integrated lifestyle services conglomerate in Hong Kong, the Group consistently adheres to high governance standards, integrating climate action, green technology, and community well-being into its premier service delivery. To foster an ESG-driven corporate culture across the organization, the Group launched its "5P Sustainability Framework" in 2024, encompassing Planet, People, Prosperity, Products and Services, and Principles of Governance. This framework has successfully spearheaded a wide range of corporate initiatives spanning energy efficiency, carbon reduction, smart property management, talent development, and community welfare.

Mr. Patrick Lam added, "Driving sustainable development is a corporate responsibility, and also a vital catalyst for service innovation. The Group actively integrates artificial intelligence, IoT, and green engineering technologies into its diverse business operations. By enhancing operational efficiency and service excellence, we assist our clients and communities in achieving low-carbon transformation, empowering the creation of healthier living and working environments."

The "Excellence ESG Enterprise Awards" and the "ESG and Sustainability Certificate" aim to acknowledge and certify Hong Kong enterprises that demonstrating excellence in business development and operational management across ESG aspects. Evaluated by a professional panel of judges comprising experts from CUHK Business School's Centre for Business Sustainability and industry leaders. Based on analysis of submission data and objective metrics and utilizing the internationally recognized Business Sustainability Index (BSI) framework as the core evaluation standard, the panel selects top-performing companies in the ESG arena to receive the highest honours at the presentation ceremony.
